Specify "W" width and "H" height

PRODUCT DATA:

CONSTRUCTION:

MIRROR: Fabricated of first quality 6mm float glass, triple silver plated with electro-copper plated layer and thermosetting infrared cured paint backing. Edges ground and polished smooth. Mirror perimeter caulked with silicone to wall.

INSTALLATION:

Mirror back face will be layered with silicone & stuck to wall. After curing the mirror perimeter will be caulked with silicone.

Recommend using "Non acidic" or "Neutral cure" silicone similar to Bostic V60, silicone to be distributed to all of the back of the mirror.

Mirror will not be supplied with screw holes or brackets.

GUIDE SPECIFICATION:

Frameless mirror shall be of first quality 6mm float glass, triple-silvered, electro-copper plated with baked enamel backing. Edges ground and polished smooth.
